

## General Informations & Registration Policy

**CERTIFICATE OF ATTENDANCE:** at the end of every "1 week Module" participant will be provided of a Certificate of Attendance from NYU CDE. Six ( 6 ) Modules are required to be awarded with the Final International Graduate Certificate in Clinical Orthodontics. Four ( 4 ) modules must be attended at New York University College of Dentistry, in New York City. Two ( 2 ) modules may be completed either at NYU or at our International programs scheduled in Europe.

**WRITTEN REPORT:** to accomplish the Final Certificate of Attendance, during the final session at New York University College of Dentistry, the participant must submit three (3) copies of his/her written topic report to the Assistant Dean for Continuing Dental Education. The topic can be selected from a list of suggested topics or determined by mutual agreement in conjunction with Report Advisor prof. Saverio Ravazzolo, NYU Italy Program Director. This report may be written and presented in another language than English, if the participant is not fluent in spoken English. However, if English is not the language selected, a one-page summary in English must be included. Finally the report should include references to support the appropriate scientific literature. The recommended report length is 15-25 pages.

**CASE PRESENTATION:** during the final week at New York University College of Dentistry the participant is required to formally present two (2) clinical cases performed and completed in his/her private practice. Participants will be limited to no more than fifteen ( 15 ) minutes followed by a discussion and/or comments by group members, Report Advisor and NYU Faculty.

**PROGRAM COMPLETION:** upon successful completion of all program requirements, a final international Certificate of Achievement in this program in Clinical Orthodontics will be awarded by the Linhart Continuing Dental Education Program at New York University College of Dentistry. Please note that this certificate program is not applicable to any formal degree program but is an acknowledgment of participant's commitment to professional growth and development. The final decision on meeting all requirements is the responsibility of the Assistant Dean for Continuing Dental Education.

**REGISTRATION FEES:** per Module in NYC € 2.500,00 - € 1.500,00 per Module in Europe.

The registration fee may suffer some CHANGE in relation to the different exchange rate € / \$ at the date of the course. A non refundable deposit of \$500,00 ( as part of the total Fee) is requested at the time of each Module registration.
